

Foster Care Month

*“Wear a green ribbon this
May”*

*This ribbon is green in color for the
fresh start a family and child now have.*

*The two branches at the top symbolize
the birth parents and how we hope they
will grow with their child...Together,
strong and upward.*

*The knot in the middle symbolizes the
ties that bind the families
together... “the child.”*

*The two branches at the bottom
symbolize the foster parents who help
to catch the birth parents by providing
roots and stability when they slip and
fall along life’s way.*
